## PROJECT SPOTLIGHT

### People's Clinic

Thank you to **Ken Baney** with **KJB Enterprise** for awarding the People's Clinic project to us! **Jesse Clayburn** was our Estimator on this clinic located in Boulder. The job was built by the North Crew along with **Dan McMahon** as Superintendent and **Kimble Gries** as Project Manager.

This project included over 17,200 square feet of Armstrong Prelude XL ceiling grid and Armstrong Mesa, Optima and Clean Room VL ceiling tiles. All acoustical ceilings were provided by Wagner

Interior Supply and installed by our North Crew

members **Patrick Benson, David Ronzio, Anthony Mackiewicz, Edward Maher** and **David Bolis**.

This project also had maple veneer Wood Wave panels in the main lobby areas. The wood ceiling panels were manufactured by 9Wood and supplied by Western Interior Supply. The installation of the

wood panels were done by **Dan McMahon, Edward Maher** and **David Ronzio**.

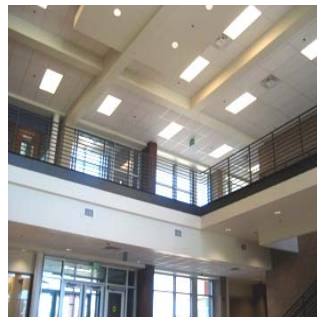

KJB was great to work with and congratulations go out to the entire team that pulled together to get this technical job done.

### Stuart Middle School

We teamed up with **Saunders Construction** on the Stuart Middle School project located in Commerce City.

The Heartland team for this project was **Kimble Gries** as Project Manager, **Rusty Benoit** as Superintendent and the

Metro Crew made it all come together out in the field. The project included almost 92,000 square feet of Armstrong Prelude XL ceiling grid with Armstrong Cirrus and Georgian ceiling tiles. The specialty products included Wall Technology 4x4 pyramidal panels, acoustical wall panels, convex barrel panels and Tectum V-Line and Finale wall panels.

Rusty Benoit and his team of **Antonio Lopez, Christopher Ortega, Eber Torres, Eduardo Ruiz, Jack Henry, Justin Stone, Marcos Gutierrez, Marty Plummer, Oscar Sandoval, Rene Gallegos, Rey Rosas** and **Sergio Lira** installed all of the acoustical ceilings and acoustical wall panels. Wagner Interior Supply furnished and stocked all of the Armstrong ceiling materials and Wall Technology acoustical products.

Saunders Construction did an awesome job (as usual) running and managing this one and thanks go out to the entire Heartland team for a job well done!

## PROJECT SPOTLIGHT

### Target - Highlands Ranch

The Target store in Highlands Ranch is another project that we partnered with **Saunders Construction** on with **Jason Kleinhelter** as their Project Manager . Our experience in building many Target stores over the past ten years allowed this project to run very smoothly. The Heartland team on this project consisted of **Jesse Clayburn** as Estimator, **Dan Vandenburg** as Project Manager and **Ryan Drawe** as Superintendent. The South Crew provided all the field labor and got this big box store done on time.

As with all Target stores, the ceiling grid and tile materials were supplied by Target Corporation so we didn't have any of our local vendors involved in this project. Our contract was for labor only but we were glad to have this 145,000 square feet project as it gave us some steady work. All ceilings were

installed by **Cliff Walls, Rey Rosas, Pedro Rosas-Flores, Juan Trujillo Rosas** and **Sergio Trujillo Rosas**. It also gave Ryan and his crew a chance to set some new personal and company production goals. Randy even got in on the production competition to see if he could outrun Ryan on grid installation!

With the help of Saunders and the entire Heartland team we were able to complete this project on time and under budget. Great job everyone!

## HEARTLAND ANNIVERSARIES

2 Years  
Cliff Walls

4 Years  
Marty Plummer

*Congratulations!*

5 Years  
Ryan Drawe  
Rey Rosas

*Anniversaries are for July thru August 2009 only, are calculated based on continuous employment and accumulate from the latest hire date.*

## HAPPY BIRTHDAY!

Sergio Lira  
Edward Maher  
Jason Gordon  
Juan Trujillo

July 20th  
July 31st  
August 10th  
August 19th

Chris Ortega  
Cliff Walls  
Dan McMahon  
Kimble Gries

August 20th  
August 26th  
August 27th  
August 31st

## SAFETY NOTE

The next safety meeting will be on **Monday, August 10th at 6:00 a.m.**

The safety topic will be **Material Handling**.

Please be on time, in the warehouse and ready to go by 6:00 a.m. sharp!

**REMINDER** - Safety meetings are mandatory unless you have approval from your Supervisor!

## PRODUCT SPOTLIGHT

### Armstrong Capz

Solving acoustical challenges in exposed structure spaces has never looked so good!

The sleek Optima® Capz™ system pairs Capz accent hardware with the exceptional acoustical benefits of fine-textured Optima ceiling panels. This unique combination gives you the opportunity to improve acoustics by about 50% with only 20% coverage of the available ceiling area. The result: a sound acoustical solution that gives you the look you want now without noise problems that can follow.

New Spectra™ High Tech Black coming Fall '09!

## TEAM MEMBER SPOTLIGHT

Charlie Ochs joined the Heartland team March 30th as a Project Coordinator. A graduate from Kansas State University, Charlie has worked as an intern for the Law Company in Kansas and Weitz Construction. He came to Colorado to work as a Project Engineer for Milender-White Construction in early 2009. Charlie was raised on a family farm in Hoxie, Kansas with his younger sister who just graduated from high school. His sister will be following in Charlie's footsteps when she attends KSU this fall. Charlie is fitting in really well and being a KSU Wildcat (see Jason's office) doesn't hurt any either!

## INFORMATION CHANGE?

**Have you moved?   Changed your bank account?   Has your marital status or dependents changed?   Has your phone number changed?**

Please keep in mind that any of the above information needs to be provided to keep your employee record current. Changes to your address and phone number can be given to your Superintendent. If you change your bank account or need to provide a new W-4 Form please call the office and Anne, Brenda or Sandy will make sure to send you the proper forms with your next paycheck. Once you have the forms you can simply fax them back to the office at (303) 694-6612.

## PROJECT IN PROGRESS

Project:	<b>DMNS – PHIPPS GALLERY</b>
Scope:	Acoustical Ceilings
Location:	Denver, Colorado
Contractor:	<b>Haselden Construction</b>
Project Manager:	Kimble Gries
Superintendent:	Rusty Benoit
Field Crew:	Metro Crew
Suppliers:	MGM Supply Wagner Interior Supply
